# Transferring skills to a tech career

---

Self Reliance

Professionalism

Work Ethic

People Skills

Emotional Intelligence

Problem Solving

Maturity

Team Work

Project Management

# Building Career

---

15 minute book/blog a day  
with tea or coffee

Humility - you will be wrong

Be the stupidest person in the  
room

Solve using documentation

*Protect your mental and physical  
health*

*Attend Conferences*

Leave job when bored

Thank you
